

Parent registration WebUntis Max-Planck-Gymnasium Göttingen

1. Navigate to the MPG homepage and follow the WebUntis link (top right)
2. Select "Register" at the bottom right.
3. Enter the e-mail address you have on file in the secretary's office (not the e-mail addresses of your children!).

4. Confirm with "Send". WebUntis now waits for the confirmation code (Bestätigungscode) to be entered.

The image shows a screenshot of the WebUntis registration page. On the left, there is a sidebar with a clock icon and a calendar icon. The main content area is divided into two sections. The top section is titled "WebUntis Registrierung" and features the Max-Planck-Gymnasium Göttingen logo. Below the logo, it states: "WebUntis hat eine E-Mail an Ihre Adresse geschickt. Bitte geben Sie den Bestätigungscode aus der E-Mail ein oder klicken Sie direkt auf den Link in der E-Mail." There is a text input field labeled "Bestätigungscode" and a "Senden" button. Below the button, it says "Bereits registriert? [Login](#)". At the bottom, there are links for "Impressum" and "Jobs @ Untis". The bottom section of the page has a date "Heute 08.02.2021" and the text "Max-Planck-Gymn. Göttingen" with a link "Schule wechseln".

5. You should now receive an e-mail from WebUntis in your e-mail inbox containing this confirmation code.

The menu is now structured so that you can either select all your children together via "Today" ("All pupils") or individually ("Moritz Planck" or "Max Planck").

In the overview, you can see everything at a glance, e.g. here for all of M Planck's children:

If you would like to view your children's current timetable, for example, you must make the following settings:

- Select the "My timetable" menu
- Select the desired child and week at the top of the bar

Notes: You can view a maximum of one week back and two weeks in advance. "Green" is regular lessons, "red" are substitutions, "gray" would be absences, possibly "blue" are exams (class tests, but these are not entered here, but in IServ!).

9. In the next step, you can now create a profile in the WebUntis app (see corresponding instructions).
